Embassy Suites by Hilton Atlanta-Alpharetta Announces the Completion of a 17 Month Renovation

Total Transformation of Guest Suites, Public Space, Restaurant/Bar, and Meeting Rooms

ALPHARETTA, GA – August 9, 2018 – The Embassy Suites by Hilton Atlanta Alpharetta, owned and managed by WCG Hotels, also known as Windsor Capital Group, Inc., celebrated the official grand re-opening of its newly renovated property by hosting a summer solstice reception for hotel guests and clients. Guests were treated to Chef Tyler Moler's creative array of seasonal hors-d'oeuvres and craft cocktails while a jazz quartet provided entertainment. In attendance were several noteworthy event planners from the Alpharetta CVB including Anna Mikell, Jeanine Jones, and Hala Shell as well as numerous corporate event planners from the Alpharetta and Roswell area including Bryan Skalku, Sylvia Robertson, and Mary Jo Malone.

The Embassy Suites by Hilton Atlanta Alpharetta has just finished putting its final touches on their multi-million renovation, which began February of 2017. The guest suites, lobby, atrium, restaurant/bar, indoor pool, fitness center, and meeting spaces were completely transformed. As noted by General Manager, Cheryl Catrair, "It is great to see how excited the community and our guests are about the final results and I could not be prouder of our amazing team members for continuing to provide our excellent service we are known for during the renovation." The renovated two-room guest suites now provide a plush bedding package, back-lit bathroom mirrors, 42-inch flat-screen TVs, interior paint, and new showers on the 6th floor. The atrium and public space areas have been transformed where guests have discovered flexible and efficient workspaces as well as and communal conversation areas.

Paul Francisco, COO of WCG Hotels states, “The modernization of the Alpharetta Embassy Suites turned out better than we could ever have hoped. The fresh, clean and hip aesthetic is the perfect blend of luxury, technology and modern design geared towards our wide array of guests – corporate, leisure and group. The renovation touched all areas of the hotel including exterior, guest suites, lobby, atrium, restaurant/bar, pool, fitness center, and behind-the-scenes. The upgrades have not only made the hotel a better place for our guests to stay but also a more pleasant environment for our associates to work.”

The 150 room all-suite hotel is conveniently located in Alpharetta's Northpoint District off Georgia State Route 400 at 5955 North Point Parkway and offers guests a perfect location providing easy access to top business and leisure attractions such as Verizon Wireless Amphitheater, Top Golf, Siemens, and Sanctuary Park. Just a few short minutes' away, guests can discover the city's premier shopping paradise; North Point Mall and the Avalon. The hotel is less than 30 miles from downtown Atlanta. The hotel features 2,400 square feet of flexible meeting space spread amongst four different meeting rooms, hosting numerous local, state-wide and regional events throughout the year and is a top destination for events such as family reunions and social gatherings.
