The Embassy Suites by Hilton Lompoc Reaches 30-Year Milestone

*The Embassy Suites by Hilton Lompoc Central Coast hotel and the Lompoc community
are celebrating the hotel's 30th Anniversary*

[Lompoc CA, 12/2/2016] – On November 22nd, 2016, the Embassy Suites by Hilton Lompoc Central Coast hotel and community officially celebrated the hotel's 30th year serving the area. The event featured a ribbon-cutting ceremony hosted by the Lompoc Chamber of Commerce. Festivities also included a grand tour, savory hors d'oeuvres, variety of drinks, a crowd-pleasing photo booth, live music, and raffle drawings. The celebration was well attended by community leaders, guests, employees and the owners of the hotel.

George King, a lifetime Central Coast resident and well-known community leader of Lompoc, spoke at the ceremony, "I'm proud to say that this hotel is so strong and active; and it is still the most popular and best hotel in the community, as it has been for 30 years." Mr. King was the very first General Manager of the hotel when it opened 30 years ago and he nurtured the hotel for its first 10 years before moving on to other community related services.

Throughout the years, the leaders of the hotel have been heavily involved in serving the community. One of the greatest assets and reasons for the success of the property is the continued ability to provide excellent guest service and the genuine caring culture that has been maintained throughout the years.

"This hotel has delighted guests since opening its doors in 1986. It has been a special hideaway for many guests seeking personalized attention", says General Manager, Golda Mae Escalante. "We are so thrilled to be part of the beautiful community of Lompoc. It is a privilege to lead our incredible team and to 'Make a Difference'".

The hotel is in the final stages of undergoing a modernization which was also celebrated during the 30th Anniversary Celebration. Attendees enjoyed a sneak peek tour of the beautiful renovated two-room suites and public areas of the hotel. The hotel will be enhancing their services to include a full bar and restaurant that will be open for dinner beginning in May 2017.

The hotel is located at **1117 North H Street**, is **approximately 8 miles** from the **Vandenberg Air Force Base**, and about an hour away from Santa Barbara, California.

About the Embassy Suites by Lompoc:
